

June 12, 2024

Dear Friends,

At Children's Hospital of The King's Daughters (CHKD), miracles happen every day. As you know, CHKD is a special place for our young patients and their families, and with your help, we are able to provide the best possible medical care to *all* the children in our community. Your gift truly makes a difference in the lives of children who are battling life threatening diseases like cancer, recuperating from devastating injuries, or facing common childhood illnesses.

The Virginia Fall Classic Committee is proud to partner with CHKD to raise money for local kids in need. The money raised during the **22nd Annual Virginia Fall Classic** goes directly to CHKD. I would love to have your support to make this fundraising event a success.

Thank you for considering a gift to our beloved children's hospital, CHKD.

In Gratitude,

Kate Ryan
